

With growing global concerns around COVID-19 (“Coronavirus”), Westboro Mortgage Investment LP is providing you with an update on our response to date and our commitment to you, moving forward.

Westboro MILP, is following the guidance from local, provincial and federal health authorities, including Public Health Agency of Canada, to ensure that our practices are aligned with the latest recommendations.

Although our office may be closed to the public, our staff is committed to continue providing service to our customers off site.

To support our clients, Westboro has implemented a communication protocol internally and taken every measure to insure that there is little to no service interruption. Mortgage payments will continue to be processed as scheduled, and business will continue as usual.

Our phone lines continue to remain open, and our service representatives are available to answer any questions or concerns you may have. You may also send your inquiries by email [info@westboromic.com](mailto:info@westboromic.com) and you will be contacted.

Again, we continue to monitor this situation closely and will provide ongoing updates as needed. We also encourage our clients to stay up to date through [Canada’s Public Health](https://www.canada.ca/en/public-health) website.

Westboro MILP Management Team, wants to ensure that we are doing our part to ensure the safety and security of all.

Thank you,
